Box Fee Amendment
Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Office Action dated October 23, 2001, please amend the
above-identified patent application as follows:

In the Claims:

- C1 and 9,
- 1. (Amended Twice). A polarization converter for use with a light source that generates a light beam having at least two light components, comprising an optics array capable of separating said light beam into at least one light component
